Confidentiality Agreement

Confidentiality is the preservation of any privileged information concerning students that is disclosed in a professional working relationship.

The volunteer ASPIRE Advisor will keep the communication with his or her student confidential. All records dealing with specific students must be treated as confidential and be maintained according to school policy. ASPIRE Advisors will not discuss students' confidential information outside of the program.

General information, policy statements, or statistical material that is not identified with any individual or family is not classified as confidential.

Although the school is liable for a volunteer's acts within the scope of his or her duty, giving information to an unauthorized person could be interpreted as not acting within the scope of that duty and the school could refuse to support the volunteer in the event of a legal action. Violation of the Oregon Revised Statute regarding confidentiality of records is punishable upon conviction by a fine of not more than \$1,000 or by imprisonment in the county jail for not more than 60 days, or both.

The only exception to confidentiality restrictions is if a volunteer thinks a student is being physically or sexually abused or is involved in a life-threatening activity. This must be reported immediately to the school counselor and/or the police or State of Oregon child welfare agency.

My signature below certifies that I have read the material above and understand the confidentiality policy. I understand that my duty as a volunteer ASPIRE Advisor is to abide by the laws and policies regarding preservation of confidential information. I agree to the responsibilities described in the position description.
